COUNCIL CHAIRPERSON'S MESSAGE

‘My gratitude goes to the Government for the increased Constituency Development Fund which is promising a bright future for Lusangazi District. As Msanzala constituency, we are guaranteed of over K30 Million in infrastructure development, grants, bursaries and empowerment loans every single year. I am hopeful that every resident of Lusangazi should in one way or another benefit through various aspects of the CDF. I must add that the various 2022 and 2023 CDF Projects ranging from classroom blocks, staff houses and maternity annexes have already lifted the face of Lusangazi.

I must make an appeal to all residents of our district to take sensitization on matters related to CDF

as their baby so that nobody is left behind and to also ensure that every vulnerable community member of Msanzala Constituency has access to the benefits of CDF in any form possible and applicable to their points of need.’

His Worship,

Blackson Selemani Tembo

FOREWORD – COUNCIL SECRETARY

”The increase in CDF allocation by the New Dawn Government to all Constituencies requires tremendous increase in service provision by the government through the Local Authorities as such there is need to double our efforts in service provision.

Our people are in need of various services that are key for their wellbeing such as access to clean water, electricity, health facilities and quality road network. Despite having limited resources, the council has made great provision through CDF on how to address some of these critical issues that affect our community.

In order to open up the District in term of improving road network construction and maintenance, the Council has started the process of procuring earth moving equipment using the 2022 Constituency Development Fund.

In this year's budget, a substantial amount has been allocated towards priority areas in the education and health sectors such as the construction of Maternity Annexes in the Rural Health Centers, construction of fully packaged 1x3 classroom blocks as well as ensuring the provision of water and sanitation in line with community needs and following their prioritized needs through community projects applications under CDF.

As a Council, we have applied to the Ministry of Local Government and Rural Development for the variation of funds above 25% from bursaries and skills for 2022 funding to be used towards the procurement of desks in line with the Presidential Directives of ensuring that no pupil sits on the floor.

The Council is also encouraging community members through cooperatives and clubs to apply for grants and loans under CDF so as to venture in assorted income generating activities which can add value to their livelihoods. With CDF, I sincerely believe Lusangazi District will soon be great. “

MESSAGE FROM THE MEMBER OF PARLIAMENT

“I am excited to share with you the positive impact the Constituency Development Fund (CDF) is having on the lives of people in Msanzala Constituency.

Msanzala Constituency has effectively utilized the Constituency Development Fund to construct, complete and rehabilitate infrastructure in both the education and the health sector. The funds have also assisted in the rehabilitation and construction of some staff houses also in both the education and health sector. water supply has been enhanced using CDF as a number of boreholes have been drilled and equipped using 2021 and 2022 CDF allocation for Msanzala Constituency. Additionally, procurement of a grader is in the process which will greatly contribute to bettering our road network . We are also currently tabling the procurement of additional desks for the various schools in the District.

May I also add that economic opportunities have also been created as awarding of construction contracts and other projects such as the making of desks and supply of labor and other necessary materials are prioritizing the locals. Additionally, the increasing number in beneficiaries from Loans and Empowerment grants have equally created economic opportunities through the various projects they have embarked on.

This newsletter will highlight what the constituency has accomplished using 2021 to partly 2023 CDF respectively. CDF is transforming lives not only in Lusangazi but the nation Zambia at large.

Allow me to applaud the community members of our District as they have been corporative and have played their role in the implementation of CDF very well ensuring that everyone benefits equally.

Enjoy reading our 2nd edition of the Msanzala Constituency Newsletter.

Hon. Elias Daka

Member of Parliament

THIRTY EIGHT SKILLS DEVELOPMENT YOUTHS UNDER THE 2023 CONSTITUENCY DEVELOPMENT FUND (CDF) ISSUED WITH DRIVERS' LICENSES AND CERTIFICATES IN MSANZALA CONSTITUENCY OF LUSANGAZI DISTRICT IN EASTERN PROVINCE

Graduates receiving their certificates and drivers licenses

The students underwent a One month driving course at Motor Link Driving School in Nyamphande Chieftdom of Lusangazi District and walked away with class C, C1 and CE licenses

The District Commissioner, Mr Tembo said the New Dawn Government was working hard to ensure that development was attained even in rural communities like Lusangazi by using CDF which was increased to K 28.3 million from the previous K 25.7 million and praised Government for the gesture.

Naomi Mwimba
Lusangazi, July 11, 2023 ZANIS.

Thirty Eight Skills Development youths sponsored by the government under the 2023 Constituency Development Fund (CDF), were issued with drivers' licenses and certificates in Msanzala Constituency of Lusangazi District in Eastern Province.

These were the earliest youths who had applied under the category of skills development bursaries and a total of 544 applicants were approved under the 2023 CDF.

The students underwent a One month driving course at motor Link Driving School in Nyamphande Chieftdom of Lusangazi District and walked away with class C, C1 and CE licenses.

And Speaking during the issuance of the licenses and certificates to the youths, Msanzala Constituency Member of Parliament, Elias Daka, stated that CDF continued recording positive results in his Constituency as evidenced by the many developmental projects attained in the area.

Mr Daka mentioned infrastructure development and the sponsorship rendered to the youths as some of the development that had been

achieved through CDF.

He urged the beneficiaries of the CDF bursaries skills to be ambassadors of the CDF program in their communities by ensuring that they passed on the messages on CDF to others so that they also benefit.

He thanked the Government for continuously releasing the funds to Msanzala Constituency for development purposes.

And Lusangazi Town Council Chairperson, Blackson Tembo, urged the beneficiaries under CDF to ensure they carefully followed the road traffic regulations when moving on the roads to avoid accidents.

Mr Tembo also mentioned that the New Dawn Government was

working hard to ensure that development was attained even in rural communities like Lusangazi by using CDF which was increased to K 28.3 million from the previous K 25.7 million and praised Government for the gesture.

"You must ensure that you correctly follow what you learnt when on the road to avoid accidents. I thank the government for working hard to ensure that development is trickled down to the grassroots using the increased CDF," he said.

Speaking at the same ceremony, Lusangazi District Commissioner, Mike Tembo, urged the local authority to consider giving the new drivers first priority to be employed at the Council which earlier advertised to employ two drivers from within Lusangazi.

Mr Tembo said doing so was going to set a good example to would be skills development bursaries applicants that were assured of a job within or outside Lusangazi once they graduated.

OVER 1.9 MILLION DISBURSED IN GRANTS UNDER THE 2023 CONSTITUENCY DEVELOPMENT FUND, (CDF) TO 58 WOMEN AND YOUTH GROUPS IN MSANZALA CONSTITUENCY

Government on July 25th, 2023 disbursed over K1.9 Million in grants under the 2023 Constituency Development Fund, (CDF) to 58 women and youth groups in Msanzala Constituency of Lusangazi district.

Msanzala Constituency Member of Parliament, Elias Daka handed over K1,964, 408.58 to the women and youth groups from the 11 wards.

Mr Daka commended Government for empowering youths and women in the area with grants to enable them start up businesses, which in turn will improve their livelihoods.

He urged the beneficiaries to put the monies to good use by investing in businesses and make profit.

The Msanzala law maker also urged civic leaders in the area to play a key role in sensitising the community on CDF.

" CDF is for everyone and the government is not leaving anyone behind when disbursing these funds and this is why I would like to say thank you to the President for this continued support to my constituency", he said.

Meanwhile, Lusangazi District Commissioner, Mike Tembo urged the beneficiaries of CDF grants to ensure that they cooperate well when sharing the money so that they realize the much needed profit from their businesses.

Mr Tembo also advised the groups to be disciplined when conducting their businesses so that they record positive results from their various businesses.

" Don't spend the money anyhow because Government would love to see good results from your business", he said.

And Lusangazi Town Council Chairperson, Blackson Tembo said President Hakainde Hichilema was transforming the lives of people in Msanzala Constituency through CDF among other Government programs.

Mr Tembo said Government does not want any Zambian to be vulnerable and that was the more reason development was trickling down to the grassroots as evidenced by the enhanced disbursement of CDF and other programs.

And one of the beneficiaries, Shadreck Daka promised that the money will be put to good use in an effort to improve his and other beneficiaries' livelihoods.

Meanwhile, Chief Sandwe of the Nsenga Speaking people of Lusangazi

district thanked President Hakainde Hichilema for the continued support to his Chiefdom.

The CDF grant beneficiaries were being given cheques ranging from K15,000 to K40,000, which they applied for, for various business ventures such as poultry, grocery and saving groups.

- ◆ Ward profiling
- ◆ How to handle CDF forms
- ◆ Monitoring and evaluation

Mr. Moses Mwale , the Town Planner explaining how to handle CDF forms.

Mr. Anthony Makaliki, the Community Development Officer teaching on budgeting and financing .

Ward Councilors, WDC Members

WDC Members and some Ex-Officials

LUSANGAZI TOWN COUNCIL JOINS THE NATION WIDE TRAINING OF LOCAL AUTHORITIES WEBSITE CONTENT CREATORS

Ministry of Local Government and Rural Development in the recent past took up the initiative of developing websites for all the One hundred and sixteen (116) Local Authorities in Zambia.

The development of these websites was necessitated to provide a platform for individual Local Authorities to engage the public on various developmental projects and activities taking place in the various localities following the enhancement of Constituency Development Fund (CDF).

Reliable Websites have a profound impact on socio-economic development by expanding access to information, promotion of service delivery, creating economic opportunities, enhancing communication and collaboration, and facilitating government services and citizen participation. The utilization of Websites by both the Local Authorities and the public offers cost-effective measures and is Environmentally friendly as it encourages paperless work.

The website will provide easy access to:

- CDF activities and updates
- services offered by the Local authority
- accessibility to newsletters, press releases
- access to downloadable forms e.g.; CDF application forms for all categories, Licence application forms and many more online services. Feel free to indulge ; www.lusangazicouncil.gov.zm

Three categories of officers namely; Public Relations Officers, ICT Officers and Social Economic Planners were identified to be Content Managers and underwent a five days intensive training from 27th November to 1st December 2023 to be fully equipped in managing the websites for their respective Local Authorities.

2022 CONSTITUENCY DEVELOPMENT FUND PROCURES 1000 DESK FOR VARIOUS SCHOOLS IN MSANZALA CONSTITUENCY

Eastern Province Minister handing over the desks at Nyamphande Primary School

Lusangazi Town Council has handed over a total number of 500 desks to various schools in Msanzala Constituency procured using the Constituency Development Fund (CDF).

40 desks were acquired for Nyamphande Primary School, 30 for Chikuse Primary School and other several schools across the district.

Meanwhile a total of other 500 pieces are in the process of being delivered throughout the district bringing the total of desks procured this year to 1000.

The said desks were procured using the 2022 CDF and 2000 more will be procured using the 2023 CDF in line with Presidential directive that no Child should be learning on the floor.

30 desks delivered and handed over to Chikuse Primary School

YOUTH, WOMEN AND THE COMMUNITY RECEIVE K2, 132, 360.00 EMPOWERMENT THROUGH CDF LOANS

Minister of Eastern Province, Honorable Peter Phiri and permanent Secretary Paul Benjamin Thole were in Lusangazi District to witness the handover of K 2, 132,360.00 to the youth, women and community in the Constituency Development Fund Empowerment Loans.

Mr. Phiri said Government's aim of empowering the Zambian people was to enable them implement income generating ideas that will eventually result in productivity, enhanced quality of life and economic growth. He emphasized on the importance of finding ways to be productive in order for them to benefit from the empowerment opportunities being offered by the new dawn government.

He further explained that loans given to beneficiaries must eventually be paid back to enable other community members to benefit from government funds in future.

An the Permanent Secretary, Mr Thole also applauded the new dawn government for implementing decentralization in the CDF disbursement process to

ensure that development was devolved to all Zambians in accordance with their needs.

He further cautioned all beneficiaries of the CDF empowerment program to put the first quarter CDF allocations received to good use.

Speaking during the same event, Constituency Member of Parliament Elias Daka was pleased to note that women had also benefitted from these empowerment funds and will thus benefit from the skills training and empowerment programs.

And Lusangazi Town Council, Council Chairperson, Blackson Selemani Tembo said he was looking forward to the implementation of the projects applied for in the loan application forms in order to help better the lives of the people of Lusangazi.

MKUZYE YOUTH CLUB IN POULTRY OF LAYERS –A BENEFICIARY OF THE 2022 CDF EMPOWERMENT GRANTS

Following the applications by several clubs and cooperatives for Msanzala Constituency Development Fund in 2022 for youths, women and community grants empowerment, 326 applications were approved and considered to be funded with K6000.00 each by the Constituency Development Fund Committee.

Mkuzhye Youth Club of Nyamphande Chiefdom was one of the successful applicants that ventured in to poultry, layers in particular.

The club initially invested the K6000 in farming after which the harvested maize was sold in order to grow the capital to eventually enable them start raising layers.

The club can currently boast of 94 layers at the moment which lay one egg each per day giving the club approximately 3 trays of eggs per day.

The club has a membership of 15 people consisting of all age groups both females and males who's chairperson is Mr Emmanuel Simfukwe who when contacted during CDF projects monitoring exercise by the Local Authority on how they have utilized the grant was happy to show off the layers and expressed gratitude to the government for the opportunity accorded to them through CDF community empowering Grants.

He also added that the success of the club's projects has not only increased food security to its members but has also helped to generate income by enabling them to sell surplus produce.

2022 WOMEN, YOUTH AND COMMUNITY EMPOWERMENT GRANTS BENEFICIARIES STATUS UPDATE

Following the applications by several clubs and cooperatives for Msanzala Constituency Development Fund in 2022 for youths, women and community grants empowerment, 326 applications were approved and considered to be funded with K6000.00 each by the Constituency Development Fund Committee.

LUSANGAZI TOWN COUNCIL HOLDS VICE COUNCIL CHAIRPERSON AND CDFC REPRESENTATIVES ELECTIONS

Lusangazi Town Council held a Special Ordinary Council meeting at the Council Chamber to Adopt the civic calendar year of 2024, hold elections for the Deputy Council Chairperson, and elect two representatives for the CDF committee on Wednesday 14th February, 2024.

The elections of the Deputy Council Chairperson were held under the provision of the Local Government Act No.2 of 2019 which states that “a deputy mayor or deputy council chairperson shall hold office for a term of two and a half years.”

In light of this, the election of the Deputy Council Chairperson was contested by 3 nominees namely Councilor Daka Geoffrey of Nyakawise ward, Councilor Mwanza Cosmas of Mateyo Mzeka ward, and Councilor Zulu Jacob of Chingolo ward Councilor Cosmas Mwanza emerged victorious as he was elected with the most votes and declared the new Deputy Council Chairperson by the Council Secretary.

Councilor Mwanza Cosmas, Vice Council Chairperson

Outgoing Vice Council Chairperson, Councilor Anna Malumbe of Lutwazi Ward thanked all the Councilors for the support rendered during her tenure of office and added that she decided not to contest in the election in order to give chance to other Councilors to serve in the Office of Vice Council Chairperson.

At the same event, the council also elected Councilor Daka Geoffrey of Nyakawise Ward and Councilor Enos Manda of Singozi ward as CDF representatives in accordance with the CDF Act Number 11 of 2018 of the laws of Zambia, Cap 5.2(b) which states, “three councillors in the constituency, two of whom are elected by the councillors in the constituency and one of whom is nominated by the Member of Parliament from the constituency.”

The Council Chairperson, Blackson Selemani Tembo congratulated the incoming Vice Council Chairperson and urged all Councilors of the various wards of Lusangazi District to give him all the support and work closely for the development and betterment of the District.
